** Please see back for rate details.*

**Promotional Daily Variable Rate CD available through 10/01/2018 requires \$25,000.00 minimum opening deposit, 36 month term, and is tied to the 3-year Daily Treasury Yield Curve Rate published by the U.S. Department of the Treasury, minus 0.50%, to determine the daily interest rate (Index). The Annual Percentage Yield (APY) of 2.21% shown calculates the daily Index rate applied to end of day balance from 07/01/2018 to 07/31/2018 as applied to the \$25,000.00 minimum opening deposit. Early withdrawal penalties apply.*
